in your DAILY!

FUNCTIONAL DASHBOARD AND READY-TO-USE STORAGE

FULLY DIGITAL CLUSTER AND INFOTAINMENT

KEYLESS ENTRY & GO

ADVANCED DRIVER ASSISTANCE SYSTEMS

NEW REAR SUSPENSION WITH PAYLOAD INCREASE

100% CONNECTED

Your iconic DAILY.

SUPERIOR DRIVING EXPERIENCE
More user-friendly and comfortable than ever.

SAFE AND STRONG
Safe in every situation and in all conditions.

ASSISTED DRIVE AND GSR
Traffic Jam Assist, Adaptive Cruise Control with Stop&Go and GSR functionalities.

VERSATILE
Ready to follow your business even in the most demanding missions.

CONNECTIVITY
Maximise your Daily's uptime and your business productivity.

Comfort and functionality.

The cabin is designed around you, with a car-like dashboard and a host of new features and functionalities to provide a superior work environment with a user-friendly interface, so you can focus on doing your job comfortably.

Functional dashboard

The new dashboard with ready-to-use storage compartments is designed to make your life easy with phone and tablet holders, wireless charging and all the spaces for your belongings.

Configurable cluster

Easily read all your vehicle's information on the standard 10 inch cluster with a wide screen and larger font sizes. Choose from three layouts, easily switching with the stalk lever button.

Infotainment

Enjoy your life on board with the 10 inch high-resolution colour display integrated into the dashboard. Navigation is simple and intuitive, and you can link your mobile device with mirroring and use IVECO Driver Pal with the in-cab microphone.

DAB radio

You can easily interact with the new standard DAB radio using the 7 inch touchscreen display and voice recognition, and connect your mobile device.

Supreme seating comfort

The seat cushion, backrest and headrest in memory foam deliver more safety and comfort with a premium driving experience. The seat and levers are designed to facilitate frequent entry and exit, typical of delivery missions.

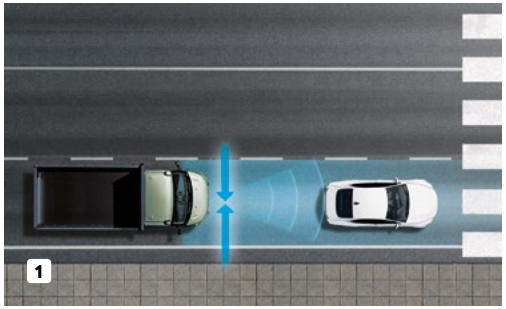

Hands-free entry & exit

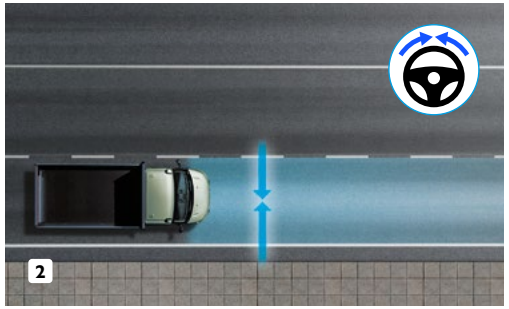

Deliveries are fast and convenient with the new Keyless Entry & Go feature, consisting of keyless operation of the Daily's door locks and engine Start&Stop function.

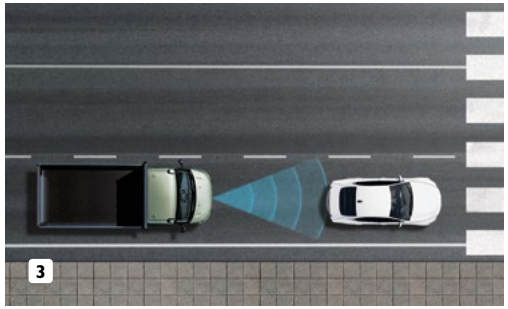

Effortless safety on the road.

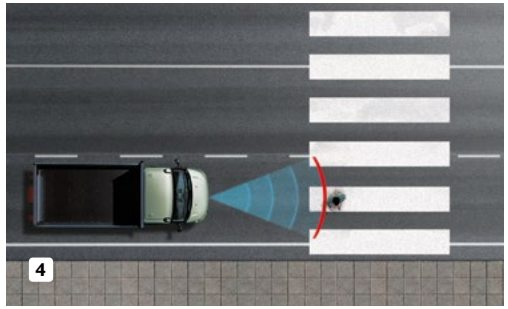

The Daily offers a safe and stress-free driving experience with a host of new Advanced Driver Assistance Systems that will make driving on the road and in traffic, manoeuvring and stopping for deliveries effortless. The new ADAS are particularly valuable in urban missions, where they will help avoid possible collisions with pedestrians or cyclists.

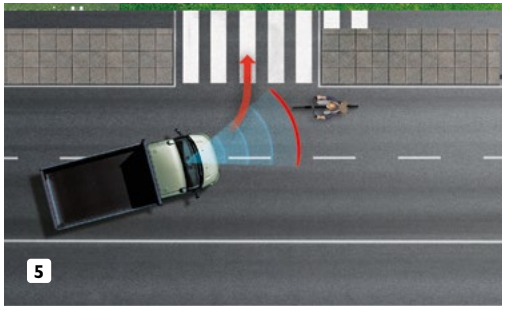

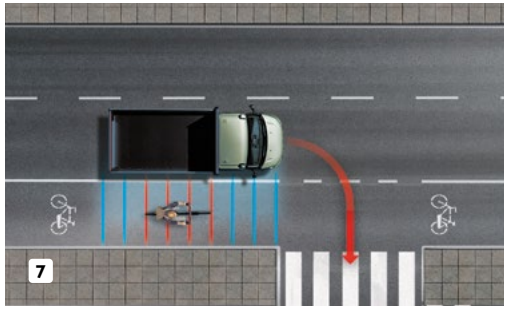

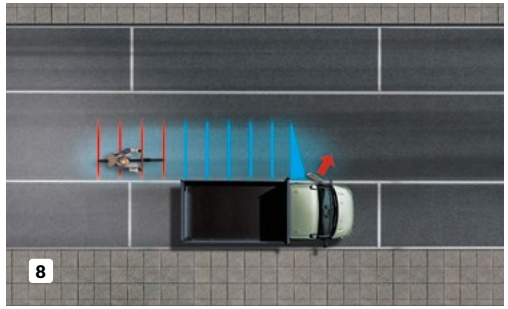

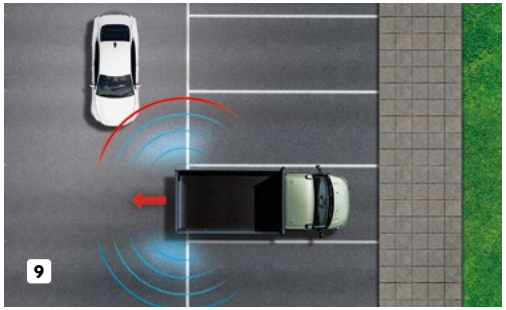

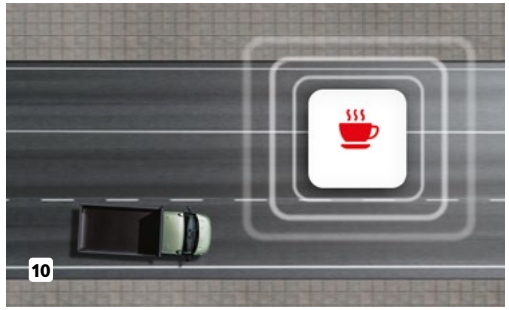

1 ***TRAFFIC JAM ASSIST***
Automatically follow the traffic flow and stay in your lane.

2 ***LANE CENTERING***
Automatic steering to continually center the vehicle in its lane.

3 ***ADAPTIVE CRUISE CONTROL WITH STOP&GO***
Cruise safely on the road, automatically keeping pace and stopping with the vehicle in front.

4 ***AEBS & CITY BRAKE***
Avoid collisions in city traffic and protect vulnerable road users.

5 ***TURN ASSIST***
Turn safely, automatically braking to avoid collisions.

6 ***INTELLIGENT SPEED ASSIST & TRAFFIC SIGN RECOGNITION***
Always keep to the speed limit and keep safe with alerts and traffic sign recognition.

7 ***BLIND SPOT INFORMATION SYSTEM***
Turn safely protecting cyclists.

8 ***BLIND SPOT & DOOR OPENING WARNING***
Change lane and manoeuvre with confidence and open the door safely.

9 ***REAR CROSS TRAFFIC BRAKING***
Reverse with confidence.

10 ***ADVANCED DRIVER DISTRACTION WARNING (ADDW)***
Monitors the driver's attention and fatigue levels through a camera mounted on the driver-side windshield pillar. When signs of drowsiness, fatigue, or distraction are detected, the system issues visual and acoustic alerts.

Note: the ADDW camera does not record or store any video during driver monitoring and does not use any biometric data, including facial recognition, for its operation.

Get the job done whatever your mission.

The Daily offers an extensive engine line-up, so you can choose the performance that fits your mission – you know you can count on the power, traction, load carrying capacity and quick response you need to get the job done efficiently and with low total cost of ownership.

2.3-litre F1A Diesel engine

Power ranging from 116 to 156hp

3.0-litre F1C Diesel engine

3 power ratings from 160 to 207hp
Torque up to 470Nm

3.0-litre F1C Compressed Natural Gas engine

Superior Driving
Comfort.

A wide choice of rear suspensions, from the AIR-PRO pneumatic intelligent suspension to the new mechanical rear suspension that will enable a bigger payload.

AIR-PRO.
The intelligent suspension.

The air suspension provides a supremely comfortable ride with excellent stability, protecting you and your load. You are in control: you can choose the best set up, prioritising comfort or performance as needed. A dedicated switch on the dashboard and TFT graphics make it easy to manage the entire system at the touch of a finger.

Mechanical rear suspension.
For a bigger payload.

A new optional rear leaf spring suspension with progressive stiffness enables a payload increase while delivering a performance comparable to the standard double-leaf suspension. A reduced flexibility option that optimizes comfort according to the specific mission is also available (up to 30kg of saving).

HI MATIC

Absolute driving Pleasure

Enjoy comfort, safety, fuel economy and performance with the exclusive 8-speed HI-MATIC automatic transmission. Enhance your driving experience even further with the new multi-function ergonomic lever with power selector.

A vehicle for every specialty.

The Daily is loved for its extreme versatility: whatever your mission, the Daily range has the perfect Daily cab for your operation – from tough jobs on rough terrains to transporting people and goods.

DAILY 4x4. No terrain is too rough.

No delivery is too difficult for the Daily 4x4: you know you will reach your destination safely, however remote and difficult to reach.

Crew Cab. Your team on the job.

The best way to transport your team and materials safely and comfortably, with the cargo space optimised so you can organize your materials just the way you need them to work efficiently.

DAILY 7 Tonne. Your ideal partner.

Twin wheels, 7.2t GVW, a choice of 6 wheelbases for a total vehicle length of over 10 meters: with its supreme versatility, the Daily 7 Tonne is your ideal partner whatever your mission.

Your sustainable drive.

DAILY CNG.
Your gas-powered sustainable partner.

Shrink your carbon footprint – close to zero carbon with biomethane – and free your business to make unlimited deliveries in cities' low emissions zones and in regulated high-traffic areas, operating efficiently with the powerful and responsive CNG engine. And you can enjoy the absolute driving pleasure and fuel economy of the Daily HI-MATIC CNG featuring our exclusive 8-speed automatic transmission.

eDAILY.
More than electric.

Enjoy all the freedom of emission-free and noise-free travel with the same versatility, robustness, power and load capacity that are the hallmark of the Daily range. Choose the eDaily for your mission from the complete range available with all bodies and all conversions, knowing that you can count on top performance and maximum traction.

More than a vehicle: the eDaily is an eco-system of interconnected solutions and services specifically designed to ease your way into e-mobility and seamlessly take advantage of all its benefits.

Line up.

Choose the perfect **DAILY** for your business.

Daily offers the widest model range in the industry, with as many as 8,000 factory versions that combine the different wheel bases and power ratings to match a broad spectrum of missions.

A Wheelbase (mm)	B Maximum body lengths (mm)*				C Gross vehicle weight (t)

5,100	-	-	5,690	6,190	6	7.2	6	7.2

*Maximum theoretical body fit, based on the equipment.

Chassis cab single wheel

The chassis CAB single wheel, with body lengths up to 4,495mm, gross vehicle weight up to 3.5 tonnes and payload up to 1,700kg, offers strength and comfort combined with excellent bodybuilding flexibility.

Chassis cab twin wheel

The chassis CAB twin wheel version is available in body lengths up to 6,190mm, gross vehicle weight up to 7.2 tonnes and payload up to 5,000kg. It stands out for its unrivalled robustness and versatility.

Crew cab

The robust Crew Cab can accommodate the driver and 6 passengers, travelling in comfort.

Ready-to-use factory built bodies.

IVECO offers a complete range of ready-to-use vehicles with equipment included - a vehicle you can count on to support your every day job, whether in construction or goods delivery, with the certainty of quality in every mission so that you can focus entirely on your business.

Ready-to-go solution

An integrated and versatile offer that enables you to find a road-ready solution (vehicle + body) at your dealership.

Extended value

The body design, engineering and production processes are in line with IVECO's high quality and durability standards. The vehicle's robustness and safety maximise the value transferred to you.

Time-to-market advantage

The production and logistics flows are optimised to reduce time-to-market and achieve the best delivery time for a bodied vehicle.

Complete Assistance

IVECO's widespread service network across Europe offers complete assistance on the equipment mounted on all IVECO Daily vehicles.

IVECO Services Solutions.

The complete development of state-of-the-art vehicles is important to provide our customers with Mobility Solutions that best meet their needs. At IVECO, our goal is to improve the productivity and profitability of our customers' businesses. We do this by maximising vehicle uptime and efficiency, driver safety and environmental protection.

Uptime

IVECO Uptime Services are designed to maximise your vehicle's uptime by avoiding unplanned stoppages through real-time vehicle monitoring, remote diagnostics and R&M schedules.

Productivity & Efficiency

IVECO helps you reduce fuel consumption, optimise routes and improve your drivers' driving style through vehicle performance reporting and analysis, for a more productive and efficient business with lower running costs.

Driver Care and Safety & Security

Improves comfort and safety levels to make the driving experience easier and more enjoyable. Driver Care services are meant to assist you throughout your journey, making your experience behind the wheel easier and more comfortable. Safety & Security services are designed to promote a safer driving style, monitor the drivers' performance and increase on-road safety.

Parts & Accessories

Our extensive offer of high-quality parts and services enables you to customise your vehicle and enhance your life on board.

Service bundles.

All vehicles come with the connectivity box installed, allowing you to activate the standard Start Pack and combine it with a choice of Premium Mobility Solutions tailored to your business goals (terms and conditions apply).

Standard service bundle.

Start Pack

It simplifies your life on board with a set of services aimed:
- **IVECO ON Access** for you to monitor your fleet data so to optimise perfomance and efficiency.
- **Uptime Monitoring & Management** to maximise your vehicles availability.
- The new **Easy Daily App** to make your life as a driver easier.

Premium service bundles.

You can tailor your Mobility Solution with additional Premium bundles.

Productivity Pack

You can boost your productivity by extending the Start Pack with:
- **IVECO ON Plus**, which enhances your IVECO ON experience with ADAS remote control and vehicle positioning updates.
- **Web API** to manage your fleet effortlessly with your own fleet management system.

Driver Assistant Pack

Turn your Daily into your ideal travel companion with:
- **IVECO Driver Pal**, which transforms your driving experience as you interact with your vehicle through vocal commands.
- **TomTom Live** for professional navigation, live traffic, and speed limit warnings.

Safety Pack

Enhance your safety on the road and your vehicle's security with:
- **IVECO ON Plus**, which enhances your IVECO ON experience with ADAS remote control and vehicle positioning updates.
- **Professional Safe Report** to evaluate and improve your driving style to be safer on the road.

Repair & Maintenance.

You can protect the value and performance of your vehicle, and your business productivity with a Repair & Maintenance offer.
Our repair and maintenance contracts plans will maximise your vehicle's availability and you can rely on our skilled workforce and guaranteed high-quality IVECO Genuine Parts.

Combine the R&M elements to build a contract tailored to your needs:

MAINTENANCE
Maintenance and lubricants, oils and fluid changes according to the M&R Handbook.

WEAR
Covers clutch, brake pads, brake discs, brake drums or brake linings for drum brakes.

DRIVELINE
Covers engine, fuel injection, gearbox, transmission propeller shaft and axle repairs.

DRIVELINE PLUS
Provides an intermediate level of protection, adding to the DRIVELINE contract repairs to exhaust system, starter and alternator, other gearbox components, electricals and PTO Multipower.

FULL REPAIR
Raises further the level of cover extending the DRIVELINE PLUS contract with repairs to the braking system (excluding wear components), clutch cylinder, suspension, heater, air conditioning, air compressor.

Your vehicle comes with FULL REPAIR cover for the first year and DRIVELINE cover the second year as standard.

Additional coverage.

You can further customise your cover with additional options:

ANS 24-Hour assistance
Roadside assistance service for repairs covered by the warranty.

Towing service
Tow truck service conveying to the nearest repair point for repairs covered by the warranty (tow truck not included).

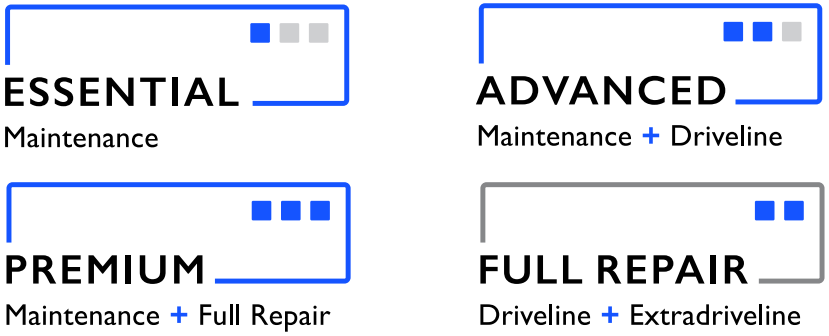

Auxiliary batteries
Repair and/or replacement of batteries, including ANS 24-Hour callout where covered under the maintenance agreement.

Oil top up
Engine oil filling limited to 0.5 liters per 1,864 miles.

Wiper blades
Replacement of windscreen wiper blades once a year.

Choose and combine to meet your requirements.

You can choose the best service* levels for your business size and needs, knowing that the associated costs are fixed and predictable.

* Wear selectable as option.

Accessories
ENHANCED EXPERIENCE

IVECO Accessories
Customise your Daily to perfectly match your requirements with our high-quality accessories specifically designed to boost your vehicle's efficiency and performance, increase your safety, and enhance your comfort.

IVECO

Assistance Non-Stop

IVECO Non Stop

IVECO Assistance Non-Stop is just a phone call away 24 hours a day, 7 days a week to keep your Daily and your business running.
IVECO Non-Stop is the original IVECO smartphone application that you can use to communicate with IVECO if your vehicle breaks down. Just insert your vehicle information (VIN and registration plate) and with a simple push of a button you can send a request for assistance to the IVECO Customer Uptime Center. We will take care of your request immediately, activate the nearest workshop and follow up on the vehicle's repair. Through the app you can receive updates on the progress of your vehicle's assistance.

Genuine Parts
HIGH PERFORMANCE

IVECO Genuine Parts will keep your Daily performing at its best during its long years at your service – and cost-efficiently. With these parts, you will enjoy the peace of mind of knowing they have been rigorously tested for safety, consistency and reliability, and come with a one-year warranty.
